A USA Cycling Event, All USAC Rules Apply, Permit #2018-1710

General Information

Welcome: We are excited to welcome you to Flagstaff and Williams during the beautiful month of July! Escape the desert heat and enjoy a weekend of racing in the pines.

Etiquette: Be polite. Be respectful. Please represent the sport of cycling in a positive manner. Please take a moment to thank our host communities, volunteers, and USAC staff.

NO LITTERING, CURSING, OR PUBLIC URINATION (DUH)! You may be fined, disqualified, or both for doing any of the above.

Centerline: The centerline rule will be **strictly** enforced in both the road race and hill climb. If there is no centerline, stay to the right side of the road. All roads are open to traffic during both events. The road race is an out and back event, and crossing the centerline endangers yourself and the oncoming race. If you are out of the peloton, stay to the right side of the road and ride no more than two abreast. **If you cross the centerline, you will be DISQUALIFIED.**

Helmets: Wear your helmet at all times when you are on your bicycle.

Race Numbers: Pin on left side of your jersey in a visible location!

Warm Up: Bring a trainer! Road access is limited at both venues.

Combined Categories: During both events, all fields will be racing at the same time. In the case that another field overtakes your field, please move over and allow that field to pass. **Do not join the passing field or you will be disqualified!**

Wheel Support: Wheels in, wheels out in road race support vehicles. No wheel support in hill climb.
